

# CROCUS TRAIL

The Crocus Trail is Atlin's most popular local trail. The trail starts at the Pine Creek Falls pullout and passes by the historic hydroelectric station, which is a protected site (please do not remove any artifacts). The trail continues on and features a ridgeline walk with sweeping views of Atlin Lake and the surrounding mountains.

You are enjoying Taku River Tlingit Territory, please be respectful of the land.

To report trail conditions or bear sightings, please send a message to the [atlinalpinesociety@gmail.com](mailto:atlinalpinesociety@gmail.com)

Also, visit [atlinalpinesociety.com](http://atlinalpinesociety.com) for more recreation information in the Atlin area
